

Laszlo Corporation

Melamine

1. Molecular formula: $C_3N_6H_6$
2. Molecular weight: 126.12
3. Quality standard: National standard(GB9567-97)

Item	Superior Class
Appearance	white powder, no impurity entered in
Purity %-	99.8
Water content % \geq	0.1
Grey content % \leq	0.03
PH value	7.5-9.5
water solution test for formaldehyde	
Turbidity(kaoli) \leq	20
Hues(platinum -cobalt)	30

Packing available in 25 KG or 1000 KG bags, 20 MT= 20' FCL with pallets.
